

The Microenterprise Award

New to the Cornerstone stable of awards in recent years is The Microenterprise Award under the guidance of Cornerstone Alliance Small Business Services.

This award is reserved for an area business with five (5) or less employees that has demonstrated continued growth and improvement over a period of at least three (3) years.

This recognition will be awarded to a business that has shown improvement and growth over the life of the firm, with a promise of continued success and innovation. Other consideration includes exemplary employee training and development...customer service...industry best practices...as well as significant entrepreneurial spirit and community involvement. Nominees must be located in the Cornerstone Alliance service area and/or be a client of Cornerstone Alliance Small Business Services. Here again is a capsule of the criteria for The Microenterprise Award:

- Five or fewer employees...
- Growth and improvement over not less than three years...
- Exemplary employee training & development...
- Quality of customer service...
- Industry best practices...
- Significant entrepreneurial spirit...
- Community involvement...
- Located in Cornerstone Alliance service area and/or client of Small Business Services...
